

2015 IN NUMBERS

ANNUAL ACCOUNTS

FEATURED

4 Newly-hired professionals

7 International projects

WHAT DO OTHERS THINK ABOUT US?

- We offer high-quality services
- Our clients are pleased with how they are treated
- We are open and transparent in our commercial interactions
- We have the capability to respond well in the face of emergencies

2016 GOALS

- Increase our international presence
- Increase information on the economy and social impacts
- Consolidate new work lines that allow us to promote a more sustainable energy model

Take a look at our 2015 social balance
